Welcome to MARTA!

It's my pleasure to welcome you to MARTA, the Metropolitan Atlanta Rapid Transit Authority. Our transit system was created in 1965 to provide safe, convenient and reliable transit service to the residents and visitors of the Atlanta region, and we thank you for riding with us.

MARTA is the 9th largest transit system in the United States operating rail, bus and paratransit services that provide more than 430,000 passenger trips every week day. We are primarily funded by a 1% sales tax levied by our member jurisdictions – the City of Atlanta and DeKalb and Fulton counties.

MARTA is vital to the success of metro Atlanta's economy, the preservation of our environment and the quality of life in our region. According to a University of Georgia study, MARTA is responsible for about $2.6 billion in economic activity every year and supports roughly 24,000 jobs statewide. Thanks to our customers, MARTA helps take more than 100,000 vehicles off the road each day – reducing harmful pollutants and improving our air quality.

MARTA has a top-to-bottom transformation plan underway to improve our service, enhance safety, become more customer-friendly and provide a better overall transit experience for everyone we serve. In addition, we're working with our employees, customers and stakeholders to become more efficient and improve our business practices to secure our financial future.

We appreciate the opportunity to serve you and we're working hard every day to provide you with a high-quality transit experience. You can contact me with your comments and suggestions at MARTA General Manager, 2424 Piedmont Road, NE, Atlanta, GA 30324, and I invite you to follow me on Twitter @CEOMARTA.

Sincerely,

Keith T. Parker, General Manager/CEO
