

MOVIE NIGHT

FRIDAY - NOVEMBER 7TH - 7:30 PM

PRESENTING THE SIXTH JOINT ERA-BERA ELECTRIC RAILWAY MOVIE NIGHT.
A PLEASANT EVENING OF THE FINEST IN TRACTION FILMS!!!

- 1 - PTC SWEEPERS IN THE SNOW: A Philadelphia blizzard is the setting for traction action with sweepers and other streetcars in vivid color. Breathtaking!
- 2 - KOBLENZ TOONERVILLE'S: Last of the German Toonerville's in a beautiful European setting. 1965 - color.
- 3 - OTTAWA: Red trolley cars in full view in magnificent Canadian snow. Memorable 1959 color action!
- 4 - HUDSON & MANHATTAN RAILROAD: Turn back the sands of time for splendid views of this interstate line before any new PATH cars were delivered. Majestic old "black" cars in their equally interesting railroad.
- 5 - TROLLEY CARTOON: In the lighter vein for the amusement of young and old. Always a welcome pleasure!
- 6 - HIGH SPEED RAILROADS: As a current item a special film on the headline making "speed" train will be shown. Featured will be the DOT Test train, Penn Central Metroliners and New Haven(PC) Turboservice trains. If you are not careful they will swish right by! A timely and speedy film - most informative!
- 7 - STUTTGART: Unique two truck antiques and an interesting rack railway make this German city at great place to visit - and in color!

THIS WILL BE THE FIRST SHOWING AT A "MOVIE NIGHT" OF ALL THE ABOVE FILMS!

AUDITORIUM: St. Peter's Church, 130 East 54th St, N.Y.C.
